Re: **Power Lift Foundation Repair**
Letter of Reference

This letter is to acknowledge that **Cutler-Gallaway Services, Inc.** has worked with *Power Lift Foundation Repair* on numerous projects in a multi-state area since 1990. These projects have included the following:

- School buildings: Stabilization and lifting
- Office buildings: Underpinning and repairs
- Retail complexes: Underpinning and lifting
- Apartment complexes: Stabilization and lifting
- Single-family residential: Lifting and repairs

Throughout the years of service with *Power Lift*, we have found them to be innovative, resourceful, and willing to undertake the technical challenges presented by the variety of projects which they encounter. Their broad field of services and nationwide network of offices provide numerous conditions to overcome.

We have always found *Power Lift* to complete projects in a timely manner, with satisfied clients in every situation. Please feel free to call our office if you have any questions concerning them.

Sincerely,

Thomas M. Gallaway, P.E.
