To whom it may concern:

Hope Contractors subcontracted Powerlift Foundation Repair, Inc for Contract # W9124E-07-G-0001-0014. The scope of work included a foundation repair for Building #1056 at Ft. Polk Army Base in Leesville, LA. Throughout the project's duration, Powerlift's project management team and the workmanship of their field operations were solid. They meet all the requirements of Hope Contractors safety & quality assurance plans. All inspections by Ft. Polk inspectors were approved on the first inspection & no safety violations were noted throughout the project. Hope Contractors would definitely subcontract Powerlift for another project in the future if the opportunity arises. Below is Ft. Polk's contact information for the contract:

Contracting Officer: Paul Chance 337-531-0900  
Engineering (DPW): Georgia Louis 337-531-6776

Please feel free to contact the persons above concerning this project that Hope Contractors & Powerlift Foundation Repair successfully completed.

If there are any questions, please feel free to give me a call.

Thank you,

Casey V. Hannigan  
Vice President  
Project Manager

There's always *HOPE*
