RE: LETTER OF REFERENCE

TO WHOM IT MAY CONCERN:

It is with pleasure that I write this letter of reference for Power Lift Foundation Repair, Inc. Thornton Tomasetti, Inc. has enjoyed collaborating with Bill McCown and his staff on a range of projects over a number of years. Our teaming on the Ennis Middle School project is but one example of many that demonstrates our successful relationship with Power Lift.

Throughout the Ennis project, Power Lift's attention to detail and seamless coordination of the work enabled Thornton Tomasetti to perform our role in the best way possible, while allowing us to work within the time constraints of the school district. We appreciated the open lines of communication with Power Lift and the willingness to work with us on options for the repair of the facility. Their input enabled the school district to find the best and most cost-effective solution to the problem.

We have enjoyed working with Power Lift and look forward to future collaboration.

Sincerely,

THORNTON TOMASETTI, INC.
